### Disclaimer of Information & Content

The content of Dr Michael Wiggett's website and social media is for information only, not for advice, or to guarantee an outcome. Information is gathered and shared from reputable sources. Dr Michael Wiggett is not responsible for errors or omissions in reporting or explanation. You are encouraged to seek examination, diagnosis, and treatment from a licensed medical doctor, chiropractor or healthcare provider. No individuals, including those under our active care, should use the information, resources or tools contained within to self-diagnosis or self-treat any health-related condition. Dr Michael Wiggett gives no assurance or warranty regarding the accuracy, timeliness or applicability, or the content. Dr Michael Wiggett accepts no liability for errors, inaccuracies, omission, or misleading statements. Dr Michael Wiggett excludes liability for any losses, demands, claims, or damages of any kind regarding information, content, or services at this website and social media pages. The information may be updated at any time, especially as medical discoveries and research evolves regarding the spine and its conditions.

At no time does Dr Michael Wiggett take any responsibility for any action taken or care chosen in reliance on information contained in this website or social media pages. The testimonials presented apply only to the individuals depicted, cannot be guaranteed, and should not be considered typical. The content (text, graphics, images, and other material) on this website/social media pages is for informational and educational purposes only. The information contained herein does not constitute the rendering of medical advice, the provision of treatment, or treatment recommendations, nor does the information act as a substitute for medical services, advice, diagnosis, or treatments. Any medical or other healthcare or healthcare related decision should be made in consultation with your qualified healthcare provider.

Browsing this website and social media does not establish a professional relationship with Dr Michael Wiggett. This information is not intended to treat or diagnose. In the event of a medical emergency, contact your doctor.
